ANN D. KOFFSKY

to your school this Fall!

Ann Diament Koffsky is the author/illustrator of more than 40 published books for kids. Her newest book, **PING-PONG SHABBAT**, tells the story of how ping-pong champion Estee Ackerman stood for her values.

Ann tailors her discussions to ALL ages and grade levels.

It was an absolute delight to host Ann Koffsky! Her presentation was educational, entertaining and engaging. I received highly positive feedback from staff and students alike. We hope to have her again soon. I highly recommend!
